Additionally, HBV provides business process outsourcing, investment services, and management consulting to customers in a multitude of industries. Located in Rocklin, CA HBV and its affiliates maintain about 75 employees and contractors. This is a brief advertisement for a potential career opportunity and is not meant to convey all aspects of the opportunity/position, but to simply provide you, the individual, a brief overview. Please read the entire advertisement and follow procedures detailed below if you are interested in applying for this position.

### Basic Description

- Rocklin CA based career opportunity focused on daily bookkeeping and accounting for entities in the service and info-tech industries.
- Solid understanding and experience with the Microsoft Dynamics NAV 2013+ accounting platform is a requirement for this position.
- Interface directly with the affiliated companies to support their day-to-day business transaction needs.
- Interface directly with vendors to ensure timely submittal of lien waivers.
- Interface directly with customers to support job progress and payment status.
- Utilize experience to properly and accurately process transactions related to invoicing, consumption, and job creation.
- Provide troubleshooting of both electronic and hard-copy systems to ensure the most accurate end-result in processing of transactions.

### General Requirements

- Associate's Degree (AA/AS) or greater from an accredited institution in Accounting, Finance, Information Systems, or the like.
  - At least one (1) year paid working experience in a similar position. Preference will be given to those with Professional credentialing.
  - At least one (1) year paid working experience utilizing the Microsoft Dynamics NAV software platform on a full-time basis.
  - Experience with order management, project accounting, job costing, work in progress, and other relevant processing concepts.
  - Well-spoken and proficient in verbal communications (English) along with strong reading and writing comprehension (English).
  - Detail oriented, organized, and superior task management skills. Individual will be responsible for solid organization of self and data.
  - Interfaces extremely well with other humans and has the ability to maintain high levels of day-to-day energy and enthusiasm.
  - Ability to work within a team environment, including; backing up coworkers, sharing of information, and encouraging communication.
  - Solid understanding of file systems for paper files along with electronic files & data stored locally and within Cloud-based storage.
  - Proficient with Microsoft Office programs (Word / Excel / PowerPoint) along with strong abilities related to CRM use.
  - Must be able to pass a criminal records background check if requested at any time for reasons pertaining to the position or work.
- \*As relates to this position, employee will be required to stay proficient in his/her area of expertise at his/her own time & expense.*

### Duration & Hours

- Full-time position with expected +/- 40 hours per week, Mon - Fri from 8:00am to 5:00pm. Overtime may be available/required.
- Expectation is that most work will be conducted around normal business hours. However, schedule flexibility will be required as events, technical issues, and other activities will require participation after hours or on weekends resulting in non-traditional hours/days.
- Meals, rest periods, and personal time, such as for; general health, medical, or family needs will be provided as outlined by law/need.

### Benefits

- Employees may be able to accrue certain benefits upon completion of "new" (probationary) period and concurrent full-time work.
- Aside from mandated medical leave, qualified regular (non-new) eligible employees may be able to accrue Paid Time Off ("PTO"). PTO is generally used to cover approved and unpaid leave from the workplace, such as for; vacations, holidays, extended illness, etc.
- Qualified regular (non-new) eligible employees may be able to participate in the Company supported medical plan as available.

### Expected Wage

- Wages are paid on an hourly basis with overtime that is regulated by local, state, or Federal wage & hour laws.
- Starting hourly wage for this position ranges \$17.00 - \$23.00 per hour, and is based on education, ability, experience, and skill level.
- Wages may be increased annually for great performance at the sole discretion of ownership and as economic conditions allow.
